Dear Mr. Cassadei

I would like to thank you, personally as well as on behalf of Greater Galway Community Services, for the financial support you have given us over the last two-and-a-half years.

Your generosity has enabled us much needed food and basic needs for many families in need in the Greater Galway area that includes the Town of Providence as well as the area served by the Galway Central Schools. With your support, we greatly expanded our Christmas Basket project. This year, 98 families received a week's supply of food and each of their children two wrapped gifts.

Finally, you have my special thanks for providing the money that allowed us to purchase a much-needed commercial cooler. It greatly improves our ability to maintain fresh supplies of a number of food products.

I wish your program continued success. I know some of our clients have availed themselves of your services. We look forward to cooperating with you in the future.

Sincerely,

Co-President, GGCSA
